Hi all, I'm having an interesting "discussion" with my dealer about what I should have got by ordering the below, in terms of Internet connectivity in my car for Car-Net, etc: Tech

Hi all, I am having trouble updating my VW SD card to update my Discover Media Sat Nav. Initially I downloaded the DiscoverCare program and inserted my SD card, which detected

I'm having some troubles updating the maps on my Discover Media (Gen 2). I downloaded the latest Discover Care, downloaded the latest map and installed onto my micro SD

So I recently found out that I'm being sued by Discover card for a ~3500 dollar credit card balance. I have requested a court date, and was

I was doing the VW update method straight onto the SD card for the Pro version but then VW always rolls that out after the traditional method of doing it. On that basis I stopped using

Discover care will download the latest maps available for your particular head unit and region. Do you and Roberth have the same system (MIB1/MIB2/Discover/Discover Pro)? If not

My new R has Discover Pro but it came without an SD card. I know the Nav SW is stored on the internal drive. The dealer has told me you can use any SD card to update the Maps on

Hey guys, I have the original Discover Navigation (MIB 1?) and it doesn't look like the maps have ever been updated. I downloaded the discovercare application, which seemed to
