Classkick gives virtual schools real-time visibility into student thinking. Teachers support learning during practice, not after submissions.

Have questions or feedback? We love talking to teachers, and we're here to help you with any inquiries regarding our app or services.

Classkick is a free app that shows teachers in real-time exactly what students are doing and who needs help so they can provide instant feedback.

Need help with Classkick? We're here for you! Explore our troubleshooting guides and get assistance from our support team to resolve any issues you encounter.

Learn about Classkick - our mission, team, and vision to increase learning and educational opportunity everywhere

Here at Classkick, I am lucky enough to spend most of my days with teachers and students. I support teachers in achieving their classroom

More practice, more instant feedback, and more tries for students. Increase mastery, growth and outcomes.
